1106	IC	Chief	- Planning team working hard - members have been working non stop. Trying to get reprieve Make sure we're providing mental health breaks.
1108	Chief		- outstanding work - Question around how we go forward - fully support decision Incident Command Structure - normally would come from system. Would be part of plan appeared - we brought in a critical inc. commander, brought them in - playing catch up. Could tighten up as we go into next cycle.
1110	ICF		Incident Commanders plans presented to them / Review. Important to have someone oversee plan.
	IC		- critical incident commander - we have deviated away from that suggestion moving forward:
1113	IC		JD, RD - Sme's best line of sight Not major incident - major event Have Rob D. be embedded commander Approve plans and be hands on the ground
1113	Chief		Rob D. has better understanding. Take plans, objectively assess and effectively implement.
1115	IC		RD - oversees PLT, POL - Tactical level, operational level.
1116	Chief		- Deviated from critical incident Revisit tomorrow. Clear process piece
